

Find costs, and know before you go

Avoid a surprise bill by exploring costs of dental services in your *MyDentalBenefits* account

Transparency at your fingertips

It's easy to look up estimated treatment prices and see what you might owe. Don't have an account? It's quick to create at **UnitedConcordia.com**.

After logging in, click the **Covered Services** tab to check coverage or potential costs of dental services for each person in the family.

- Click on the **Cost** button.
- Look up common procedures using the search bar.
- Or click on the **+** next to each treatment category for a list of procedures.
- In the amount you owe column, the chart shows potential out-of-pocket costs.

Work together for a more precise estimate

Talk to your dentist. For more extensive treatments, ask your dentist for the specific procedure codes they'll be using.

Request a Predetermination of Benefits

Your dentist can submit it to us. We'll review the proposed treatment and send you a detailed estimate of coverage and potential out-of-pocket costs before your appointment. You'll be notified by mail.

Clear communication is key to a positive dental experience. We hope these tools help you feel more informed to make the best decisions for your oral health.
